Background:

The Office of Security Cooperation Iraq (OSC-I), with the Institute for Security Governance, partnered with the Kurdistan Regional Government (KRG), Ministry of Peshmerga Affairs (MoPA) to help develop strategy policy and guidance. The incumbent Advisor will support the development of foundational strategic guidance and provide an avenue for Kurdish Security Forces (KSF) to build and understand sound defense planning and budgeting processes.

Requirements:

The incumbent will advise both KRG and MoPA senior leadership and staffs. Work with stakeholders to coordinate assistance in the field of Security Sector Reform (SSR) and enable development of local solutions. Coordinate internally with the Plans Office, Specialized Program Office, and Resource Division to enable the Kurds to take ownership of goals and milestones. Act as Subject Matter Expert (SME) for best practices to both Kurdish counterparts and Unified Action Partners (UAP)/colleagues.

Coordinate with other UAP Advisors or applicable stakeholders both inside and outside of Iraq to synchronize Institutional Capacity Building (ICB) concepts, plans, and lines of effort nationwide.

- Serves as an advisor to the OSC-I Northern Affairs senior leadership on strategic and operational issues associated with building partnerships and capacity for the KSF.
- Establishes trust-based relationships with KRG and MoPA senior leadership to facilitate an effective advisory environment.
- Assists Kurdish partners in developing and institutionalizing effective and sustainable Strategy, Plans, and Policy practices to improve defense readiness.
- Analyzes and enhances the capability and capacity of KRG and MoPA partners for strategic thinking, coordinated planning and military decision-making to address strategic and operational requirements.
- Advises KRG and MoPA partners to implement strategic policies that facilitate effective procurement decisions, articulation of risk, force development, defense planning, and defined capability requirements.
- Coordinates with other forces, government agencies, and security assistance efforts in Iraq to synchronize effects.

Required Knowledge/Skills/Abilities:

- Minimum of ten (10) years' experience as a DoD civilian with a minimum of five (5) years' experience developing policy across large organizations and commands.
- Demonstrated experience in conducting, analyzing, and briefing findings of organizational studies and/or gap analyses OR capability-based planning experience.
- Demonstrated ability to work in an environment with limited resources on compressed timelines, and ability to apply innovative and creative solutions to resolve problems.
- Experience in analyzing, developing and applying QA/QC methodologies and management solutions in challenging and complex environments. Knowledge of organizational change methods, tools, and frameworks.
- Demonstrated communication skills, diplomacy and the ability to work collaboratively with counterparts to help achieve goals through the provision of quality support and mentoring.

Desired Knowledge/Skills/Abilities:

- Creative problem-solving skills and a demonstrated ability to work as part of a team in an environment with limited resources.
- Exceptional interpersonal skills, preferably with experience in mentoring, training, and living in an international setting.
- Proven self-starter who can be successful working independently at various organizational levels and with executives/managers/leaders/staffs from multiple functional areas.
- Seven to ten years of experience in PME enterprise or PME institutional management, or with War College or Staff College (or equivalent) as a faculty member, or in curriculum development.
- Significant experience instructing or implementing graduate-level seminar instruction including discussion-based approaches such as case studies, Socratic questioning, teleconferences, practical exercises, and synchronous or asynchronous e-learning.
- Proven familiarity with research methods and writing for academic publication.
