

## Positions/Jobs

- Security Force Advisors
- Faculty & Instructors
- Institutional Advisors (ICB)

## Functional Area Description

The Advise, Train, & Educate (ATE) functional area courses will help prepare professionals to conduct institutional advising, serve as security force advisors, serve as faculty for the security cooperation workforce. Through this curriculum, the ATE professional will gain a deeper understanding of capability development, political military factors, advising security forces and defense institutions, and training and educating security cooperation workforce members.

## How will this better prepare you for your work?

ATE courses will better prepare you for your work through the application of evidence-based practices and/or the evaluation of case studies from the field.
